

**DCASE**

District of Columbia  
Association for Special Education

# **Edu-Tours: Discovering DCASE Schools for DC Education Professionals**

**Edu-Tours: Discovering DCASE Schools** are by invitation only, specifically for DC education professionals, including charter school administrators, state leaders, advocates and special education attorneys.

Each Edu-Tour will provide an intimate picture of the host school, to include:

- Welcome/Sharing of resources and current school outreach programs
- Introduction of the mission of the school, typical student profile and highlights of new/innovative projects
- Small group guided tours of classrooms/school space by school staff
- Reconvening for closing questions and information

**JOIN us this spring for an intimate visit to these nonpublic special education schools:**

**Wednesday, January 24, 2018**

10:00am-12:00noon

10am-12noon

***The Kingsbury Center***

**RSVP**

or email: [mwhalen@dcase.org](mailto:mwhalen@dcase.org)

(note - space is limited)

**DCASE** is committed to working with our partners to support and strengthen the education that DC children with disabilities receive. Our alliance of nonpublic and charter schools is dedicated to improving educational opportunities for all DC students with disabilities, and we work toward fulfilling the promise of a quality education for all children through advocacy, special education resources, and strong partnerships.
